

Pr Ting Dong FU

GCIRC sponsors : Dr. Röbbelen/Dr. Morice

Studies and Responsibilities:

Fu Ting-Dong graduated from the Agronomy Department of the Huazhong Agricultural University in 1960, and finished his post-graduate studies in 1965 in this same University. He went abroad to do research and studies in rapeseed breeding at the University of Göttingen in Germany from June 1981 to February 1982.

From 1962 till now, Fu has been teaching in the crop breeding and research department in relation with rapeseed. Now, he is professor at the Huazhong Agricultural University.

He is Vice-Director of the China Crop Association, Vice editor-in-chief of the Journal of Chinese Crops, member of S & T Standing Committee of the Ministry of Agriculture in China, and Member of GCIRC (Groupe consultatif international de Recherche sur le Colza). In 1995, he was elected as the Academician of the Chinese Academy of Engineering.

In 1991, he won the "GCIRC Superior Scientist Award".
